Reflect, Remember, Recommit:

Take the *rights* path on World AIDS Day

The theme for the 2024 World AIDS Day is “Take the *rights* path”. It highlights that the world can end AIDS - if everyone’s rights are protected. With human rights at the centre, with communities in the lead, the world can end AIDS as a public health threat by 2030.

To mark the day, UNAIDS is hosting a commemoration event led by Winnie Byanyima, UNAIDS Executive Director. This will be a moment of remembrance, reflection, and recommitment to rights, followed by food and drinks, and a special musical performance.
